CARBON LIGHT WALL LAMP

A new addition to CARBON LIGHT product family is a high tech LED wall lamp made of carbon fibre. This wall sconce will make a unique statement on any wall.

DESIGNERS

Asobi is a product design consultancy that made its international debut in 2005 at the London Design Festival with their prototype of the spellbinding Isle Lounge sofa.

In 2006, Asobi received the Design Distinction (Silver) Award in I.D. Magazine's 52nd Annual Design Review for their fluid, futuristic Gwig LED luminaries.

In 2014 Carbon Light, a high-performance modular LED suspension light, was selected as a finalist in lighting products at the Architizer Awards.
